Styl'editions non è solo un brand di wallcovering, ma una tela su cui arte, innovazione e design si fondono per trasformare gli spazi in emozioni. Nato dal genio creativo di **Stylgraph**, leader nella progettazione grafica di superfici, pavimenti e rivestimenti, affonda le sue radici nell'eccellenza italiana, guardando al futuro con immaginazione senza confini.

Grazie alla versatilità dei materiali e ad un approccio produttivo dinamico, le possibilità diventano infinite. Ogni collezione è un dialogo tra spazio e creatività, su misura per il suo ambiente e completamente personalizzabile.

Styl'editions è il punto d'incontro tra competenza e visione artistica, un luogo in cui grafici, artisti, architetti e designer collaborano per creare opere uniche e senza tempo, trasformando le pareti in capolavori e gli interni in pura espressione di bellezza.

Styl'editions is not just a wallcovering brand, it is a canvas where art, innovation and design merge to transform spaces into pure emotion. Born from the creativity of **Stylgraph**, leader in surfaces, flooring and wallcovering design, it is rooted in the excellence of Italy, while looking toward the future with boundless imagination.

With versatile materials and a dynamic approach to production, the possibilities are endless. Each design becomes a dialogue between space and creativity, tailored to its environment and fully customizable.

Styl'editions is the meeting point between expertise and artistic vision, a place where graphic designers, artists, architects and designers collaborate to create unique and timeless masterpieces, turning walls into works of art and interiors into pure expressions of beauty.

Andrea Castrignano è interior e product designer, content creator e influencer, tra i volti più seguiti e riconoscibili del panorama italiano del design.

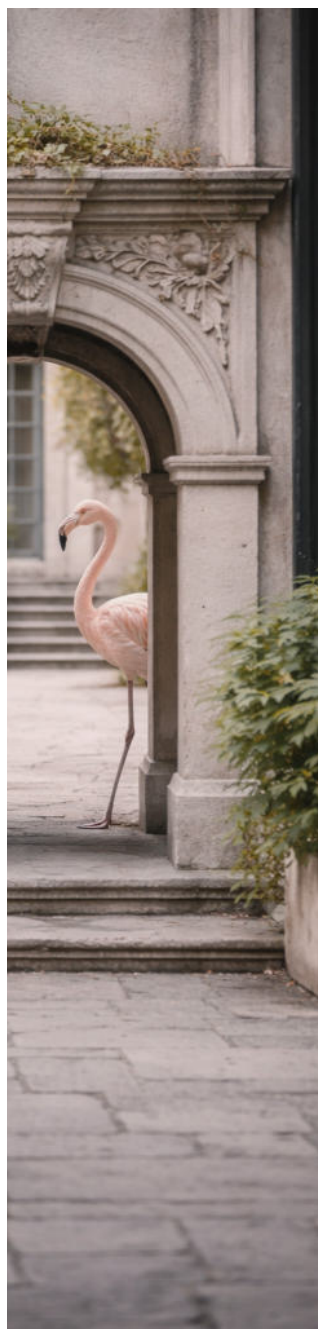

Il suo linguaggio creativo si esprime nei progetti che firma, nei programmi TV e web di cui è ideatore e protagonista, così come nei libri, nel blog e sui social, dove racconta ogni giorno il design come esperienza di stile, personalità e trasformazione.

Collabora con numerose aziende allo sviluppo di collezioni e prodotti esclusivi, seguendone con visione e sensibilità ogni fase, dal concept alla realizzazione.

Andrea Castrignano is an interior and product designer, content creator and influencer, one of the most followed and recognizable figures in the Italian design scene.

His creative language is expressed through the projects he signs, the TV and web programs he creates and stars in, as well as through his books, blog, and social media, where every day he presents design as an experience of style, personality, and transformation.

He collaborates with numerous companies in the development of exclusive collections and products, overseeing each stage with vision and sensitivity, from concept to final realization.

WALL PAPER

La capsule collection è composta da **12 soggetti**, suddivisi in **4 categorie** e accomunati da un fil rouge preciso: il **dialogo** armonico tra **architettura e natura**.

Ogni proposta è pensata per trasformare la parete in un elemento scenografico, capace di dare personalità agli spazi attraverso composizioni evocative, cromie decise e, a volte, abbinamenti audaci.

I colori, protagonisti assoluti della collezione, richiamano le tonalità iconiche di Andrea Castrignano e definiscono un linguaggio distintivo, sofisticato e contemporaneo. Il risultato è una proposta versatile, pensata per adattarsi con naturalezza a interni molto diversi tra loro, dai contesti più minimal a quelli più decorativi ed estrosi.

The capsule collection consists of **12 designs**, divided into **4 categories** and united by a clear common thread: the harmonious **dialogue** between **architecture and nature**.

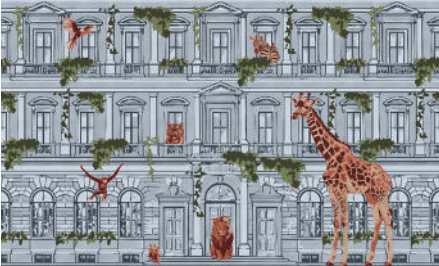

Each proposal is conceived to transform the wall into a scenographic element, capable of giving personality to spaces through evocative compositions, bold colors, and, at times, daring combinations.

Colors, absolute protagonists of the collection, recall Andrea Castrignano's iconic palette and defines a distinctive, sophisticated, and contemporary language. The result is a versatile collection, designed to adapt naturally to a wide variety of interiors, from the most minimal settings to those that are more decorative and eclectic.
